FOR IMMEDIATE RELEASE

TRAINING FIRM ACHIEVES TOP HONORS GLOBALLY

Cherry Hill, NJ—January, 2007—Team Builders Plus, a global, Cherry Hill-based team building and leadership development organization, recently received the **Emerald Award from Inscape Publishing**, of Minneapolis, MN, for outstanding consulting achievements. It has also received honors from Performance Support Systems, (PSS) Inc. of Newport News, VA, as the **Number One Associate for 2006, and PSS's All-Time Leading Global Distributor.**

The Emerald Award from Inscape Publishing places Team Builders Plus in the top 1/2 of 1% of consulting companies globally. As a leading producer for Inscape Publishing, Team Builders Plus has helped tens of thousands of managers and teams improve their performance using the DiSC Classic®. This is a research-based, self-assessment tool that has helped over 40 million people improve performance, increase job satisfaction, and value differences over the past 30 years.

According to Team Builders Plus president Jeff Backal, "Inscape Publishing's quality materials are integrated into our client solutions, focusing on leadership, management, team building, and other employee-development initiatives."

Per Jeffrey Sugerman, president and CEO of Inscape Publishing, "Such award-winning distribution partners like Team Builders Plus are the key to crafting training and development solutions that create real results for companies and employees around the world."

The PSS award conveys Team Builders Plus' position as the number one provider of the 20/20 Insight GOLD program, a web-based employee survey system which allows organizations to conduct 360-Degree Feedback, team assessments, and organizational climate surveys. Team Builders Plus is also the 4th largest provider of the Train-To-Ingrain process, a 12-module Leadership Development Series which combines 360-Degree Feedback, classroom training and web-based training.

Per PSS president Meredith Bell, "Leadership development is the most needed and sought-after area of training today. The ability of Team Builders Plus to go beyond implementing our leadership training processes with clients, by providing extensive follow-through, via individualized approaches and expertise, is its key to success."

Founded in 1991, Team Builders Plus in Cherry Hill, NJ, conducts team building, leadership development, performance coaching, and 360-degree feedback for organizations worldwide. Over twenty-five percent of Fortune 100 companies are clients of Team Builders Plus. For more information, log on to www.TeamBuildersPlus.com, call 856-596-4196, or e-mail jbackal@teambuildersplus.com.

Inscape Publishing is an international publisher of research-based learning instruments that improve individual and organizational performance. The company is best known for its DiSC[®] learning resources, a behavioral model and set of tools that have been used for nearly three decades by more than 40 million people worldwide.

Since 1987, Performance Support Systems, Inc. (PSS) has provided assessment and development resources that help people grow stronger in life and work. They are best known for the 20/20 GOLD and Vital Learning processes, which have influenced the development of over 100,000 managers and professionals.
