TEAM BUILDERS PLUS RECEIVES PHILADELPHIA 100 AWARD

Cherry Hill, NJ – October, 2007 – Team Builders Plus, a leading global leadership and team development firm, was named one of the 2007 Top 100 fastest-growing, privately-held businesses in the Philadelphia region by the Philadelphia 100®, a joint project of the Wharton Small Business Development Center, the Entrepreneurs' Forum of Greater Philadelphia, and the *Philadelphia Business Journal*. According to Therese Flaherty of the Wharton Small Business Development Center, "This year's winners are one of the most impressive groups in the 19-year history of the Philadelphia 100." Flaherty explained that more than 500 qualified nominations from eligible businesses were received this year and that Philadelphia 100 rankings are based on verifiable revenue growth.

This is the third regional award the firm has won since June of this year. Team Builders Plus was recently named one of the Best Places to Work in the Philadelphia region by the Philadelphia Business Journal, and one of the top 25 fastest growing South Jersey companies, chosen and ranked by researchers at Rowan University's Rohrer College of Business.

Recent acquisitions enabled Team Builders Plus to double its growth, turning the company into the largest team building company in the region, and likely the country. The firm possesses more than triple the staffing of most other training firms, and includes several highly experienced trainers and coaches. The firm's employees and services provide for individual, team, and group leadership, training, coaching, and assessments. More than a quarter of current Fortune 100 companies are Team Builders Plus clients.

"We are greatly honored to receive this prestigious award from such a highly esteemed panel," said Jeff Backal, president and co-owner of Team Builders Plus.

Founded in 1991 by Drexel University MBA graduates Jeff Backal and Merrick Rosenberg, Chief Learning Officer, Team Builders Plus has of late been in heavy growth mode. Based in Cherry Hill, NJ, with an office in Wilmington, DE, in the last year, Team Builders Plus has acquired Silver Career Management of Cherry Hill and has entered a strategic alliance with Coaching Partners Inc. of Wilmington. Most recently, the firm acquired Teambuilding Inc. of Chadds Ford, PA. The firm has also won several training industry awards, including the number one all-time distributor of 20/20 Insight GOLD (online survey system from Performance Support Systems Inc. of Newport News, VA). It is also in the top 1% of Inscape Publishing's 6,000 distributors globally (Minneapolis producer of DiSC® products and assessment tools) and is a top 10 distributor of Vital Learning products (leadership development programs). Vital Learning is based in Omaha, NE. Its latest acquisition of Teambuilding, Inc also makes Team Builders Plus the number 1 US distributor of experiential learning assessments, games, simulations and learning activities from HRDQ in King of Prussia, PA.
