

# Team Builders *Plus*

One Organization. *OneTeam.*

**FOR IMMEDIATE RELEASE**

## **Local Consultants Recognized At International Conference**

*February 2004* - Jeffrey Backal and Merrick Rosenberg, Partners of Team Builders Plus located in Cherry Hill, NJ, were presented a Double Emerald award for outstanding consulting achievements. Team Builders Plus was honored at the President's Award Banquet during the Inscape Publishing's 2004 International Business Conference on February 4-6, 2004, in San Diego, California. This award places Team Builders Plus in the top one half of 1% of consulting companies globally.

This distinguished event brought together hundreds of independent training and consulting firms from around the world to explore cutting-edge approaches to performance improvement in today's workplace.

As a leading producer for Inscape Publishing, Team Builders Plus has helped tens of thousands of managers and teams improve their performance using the DiSC Classic<sup>®</sup>. DiSC<sup>®</sup> is a research-based self-assessment that has helped over 40 million people improve performance, increase job satisfaction, and value differences over the past 30 years.
