

TEAM BUILDERS PLUS

TEAM BONDING • FUN & LEARNING • TEAM DEVELOPMENT

Team Builders *Plus*

a *Take Flight Learning* company

A Little Bit About Team Builders Plus

Team Builders Plus was founded in 1991 and led the way in creating the thriving team building industry that exists today. We offer half- and full-day team building options for groups as small as 6 and as large as thousands. More physical, less physical, we’ve got you covered. Indoor, outdoor, no problem. Our sessions are creative, engaging, and memorable and we know that you’re sure to hear, “That was the best team building event I’ve ever attended!” How do we know? Because we hear it every day.

As the team building division of *Take Flight Learning*, *Team Builders Plus* programs range from fun team events to intensive team interventions... and everything in between. You decide where you are on the continuum & we’ll provide you with options that will exceed your expectations.

TEAM BONDING			FUN & LEARNING			TEAM DEVELOPMENT		

Team Builders Plus is the most recognized team building company in the United States. We practice what we preach as we have repeatedly been selected as one of the *Fastest Growing Companies & Best Places to Work by the Philadelphia Business Journal*, one of the *Fastest Growing Privately Held Companies in the U.S. by Inc. magazine* and as the *New Jersey Business of the Year* by *NJ Biz magazine*.

Our founders, Merrick Rosenberg and Jeff Backal, were selected as the *Alumni Entrepreneurs of the Year from Drexel University*, where they incubated the idea for the company. Both Merrick and Jeff were also selected as *HR Consultants of the Year by the Society for Human Resource Management* and Merrick has been recognized as *CEO of the Year by AI Magazine*.

What does this mean for you? We know how to grow a company and treat people right...and we’ll help you to do the same.

Just for Fun!

Looking for a day to help your people get to know each other better or just simply have a fun day out of the office? We have a range of activities that are an absolute blast!

ScavengerQuest

Discover your city as you get to know each other through this app-based treasure hunt that includes photo challenges, problem solving, bring-backs, GPS check-ins, and more!

Gold Medal Games

Build camaraderie through a series of hilarious activities, based on the ideals of teamwork, competition and good clean fun, .

You Take the Cake

Sculpt a cake into an artistic metaphor for collaboration as your creation embodies the characteristics of an effective team.

Charitable

Team Builders Plus has led philanthropic events that build teamwork and give back to the community. Through our charitable team building events, we have given away more than 10,000 bikes to children, 25,000 toys to children in hospitals and comfort items to those serving in the military, and 500,000 food items to local food banks. Have fun while giving back to the community!

Wheels for the World

Earn bike parts through a series of challenging and exciting activities. Brace yourself for the big surprise when the recipient children come running into the room!

SmileKits

Teams complete a series of fast-paced challenges to fill their SmileKit that goes to a charity of your choosing, such as children in hospitals or those serving in the armed forces.

Wonder Wagon

Participate in energizing team building activities while you assemble Radio Flyer wagons and then fill them with outdoor toys for children.

Mini Golf Charity Classic

Enjoy four phases of fun! 1) Earn cans and boxes of food 2) Build a miniature golf hole 3) Play a round of mini-golf 4) Donate the food to a local food bank.

Fun & Learning

Who says you can't learn while you're having fun? If you're looking for an exercise that offers insight into various aspects of team dynamics, *Team Builders Plus* has a range of unique options for you. Each of these half-day events includes a substantive debrief that relates their experience in the team building activity to real-world challenges of communication, collaboration, trust, common goals, breaking down silos, leadership, and more.

Intergalactic Adventure

If your group works together cohesively, you will save the galaxy. If not, the enemy will destroy the planet. Communication and alignment will save the day!

Harmonia

Can your group balance achieving results with creating a great environment, achieving team goals with organizational objectives, focusing short and long-term? We'll see!

Team Samurai

Using the martial arts as a metaphor, you will learn to apply the principles of the martial arts to bring out the best out in your team. Did we mention foam boppers?

Developmental

There’s no such thing as the perfect team. Even high-performance teams continually work on creating an environment that drives success. In fact, that is likely how they became so successful! Prior to attending the session, participants complete an assessment, such as a personality profile or team survey that provides the foundation for discussing how they can create a high-performance culture.

Taking Flight with DISC

As team members discover how their personalities are impacting their team dynamics, they will get to know each other better and learn how to communicate and work together more effectively.

TeamingUp

This session is designed for any team that wants to go to the next level by improving their culture and re-sults. Together, they will create team ground rules and an action plan for success.

Transforming Your Senior Leadership Team

Your organization is only as effective as the people who lead it. Bring your senior team together by addressing the unique challenges people face as they lead their organizations.

Clients

Team Builders Plus has worked with thousands of small, mid-sized and large companies in the United States and around the world. Our experience with government agencies, non-profit organizations and multinational corporations is second to none.
