SAMPLE LIST FOR OUR MILITARY TROOPS

FOOD AND DRINK

- **Powdered drink mix:** Your service member will appreciate anything that can be mixed with water. In cold months, send hot beverage mixes such as cocoa, instant coffee, tea bags, and creamer. During warmer months, sweetened drink mixes such as lemonade and iced tea will be welcome.
- Ramen noodles
- Seasoned salt, individual packets of hot sauce, mustard, relish, and ketchup.
- **Quick protein:** Energy bars, tuna fish, sardines, non-perishable beef jerky, or beef summer sausage. Make sure the meat is labeled USDA Beef.
- **Snacks:** Look for small, hard containers of chips, pretzels, and nuts. These are easier to carry than large containers. Avoid bags, which may burst under high pressure. If you do send large bags or containers, include small zipper-lock bags so your service member can pack smaller amounts of snacks to carry. Snack cakes, cheese crackers, and cookies are in high demand. Salty snacks are good for those deployed in the desert, especially in the summer months, because they will encourage your service member to drink more water.
- **Candy and gum:** Avoid chocolate if your service member is in a warm climate. It will melt in the heat. Gum and other types of candy may soften and become gooey, so send these in plastic zipper-lock bags. Send plenty of extras for your service member to share, especially if he or she comes into contact with children.

PERSONAL CARE AND CLOTHING

Choose small, travel-size containers of personal care products, and avoid aerosol cans. To keep liquids from spilling, cover the opening of the container with plastic wrap, then recap before shipping.

- **Toiletries:** Toothbrush, toothpaste, dental floss, cotton swabs, shaving lotion, disposable razors, shampoo, individually packaged tissues.
- **Personal care:** Individually packaged baby wipes, eye drops, lip balm, lotion, aspirin or other pain reliever, feminine hygiene products for women.
